Kingdom of Saudi Arabia.

Respected Shaik Atheek,

Assalamu Alaikum Warahmathullahi Wabarakathuhu !

I am sure by the Grace of Almighty Allah you arrived home safely to find your family and dear ones in the best of health.

At the time of your arrival in Colombo, as you were no doubt informed, I had gone to Delhi and Karachi for Jamath work. I am very sorry I was not here to receive you. In any case I am consoled, and thank you - Jazakallahu Wa Khair - you had paid your visit to the Orphanage and addressed the boys as well as having led them in Prayers.

Thanks first to Almighty Allah and then to your goodself, all the necessary recommendations to Revered Shaik Abdul Aziz bin Baz from the very inception in October, 1975 in addition to your valued visit to Colombo are due to your credit. Last year after Haj I collected from Mohammed Ibrahim Al Kuood ten letters from Shaik Bin Baz to various donors and it was mentioned in those letters that the donations were to be forwarded to Shaik Bin Baz and I believe these monies are in Darul Iftha.

After your return to Riyadh I am sure you would have submitted your report, recommendations etc. which I expect will enable Shaik Bin Baz (Darul Iftah) to forward same to Colombo or hand me same, when I meet Shaik Bin Baz and Shaik Mohammed Ibrahim Al Kuood during Haj this Year, as I propose to come to Thoweeya Azizeeya Makkah Al Mukarramah should I come for Haj this year. With your co-operation I look forward to the same assistance from Shaik Abdul Rahman too to enable us to increase our roll from the present 330 to 1000 boys gradually. As you are no doubt aware we have drawn up a new plan for an entire colony by itself with all buildings on the bare land (56,000 Sq. Metres) at Malwana - Mosque, Madrasa, Class-rooms, Quarters for Director/Teachers and all other Staff, Library, Hospital, Play-ground etc.
